

PERENNIAL RYEGRASS

Explosive vigor, establishment and quality

Sunburst's explosive seedling vigor and rapid green cover to full establishment is a front runner in the field. Demonstrating top notch turf quality, excellent performance under traffic and leading divot recovery; Sunburst is an ideal durable turf option for various applications.

Sunburst is a dark green variety that has shown good spring and fall living color. Its outstanding disease package includes resistance to crown rust, pink mold and gray leaf spot.

Features

- Top notch turf quality
- Excellent traffic tolerance
- Aggressive seedling vigor
- Rapid establishment
- Outstanding gray leaf spot resistance
